

## AGILE SOFTWARE DEVELOPMENT

---

Limiting Work in Progress

# Featureban Game

After your daily standup meeting:

- EITHER advance one of your unblocked items one column rightwards
- OR unblock one of your blocked items
- OR start a new item: move it to the first in-progress column

If and only if you can't make one of these moves for yourself, help someone!  
Advance or unblock another player's item

**WORKING**  
Start or advance a task  
OR unblock your task  
If not possible, help someone else

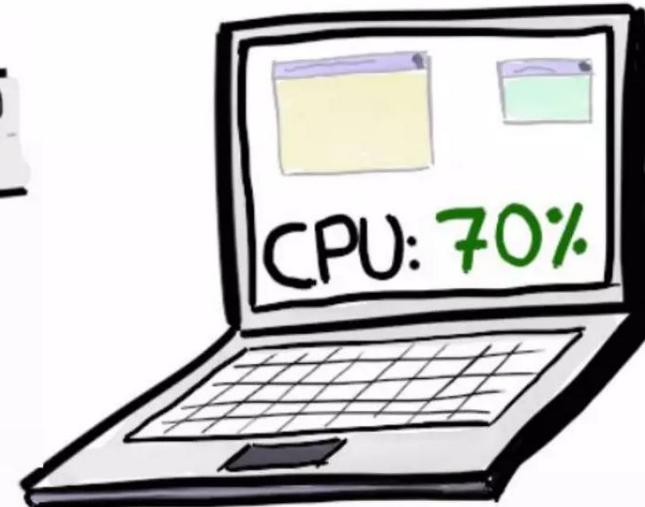

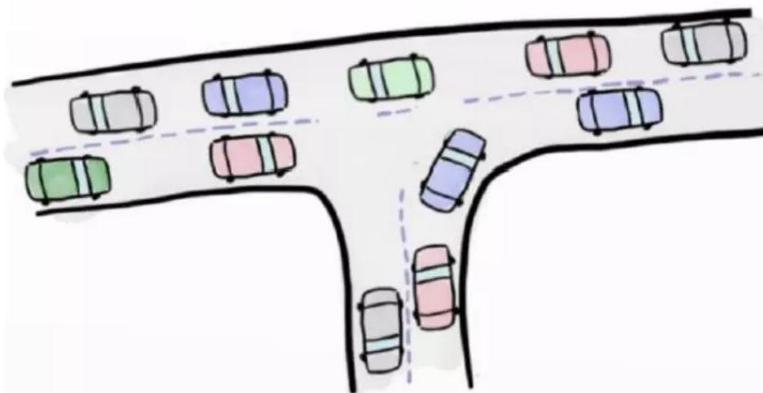

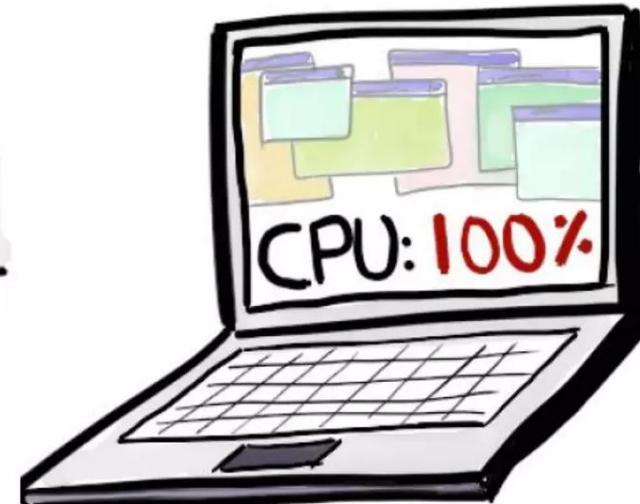

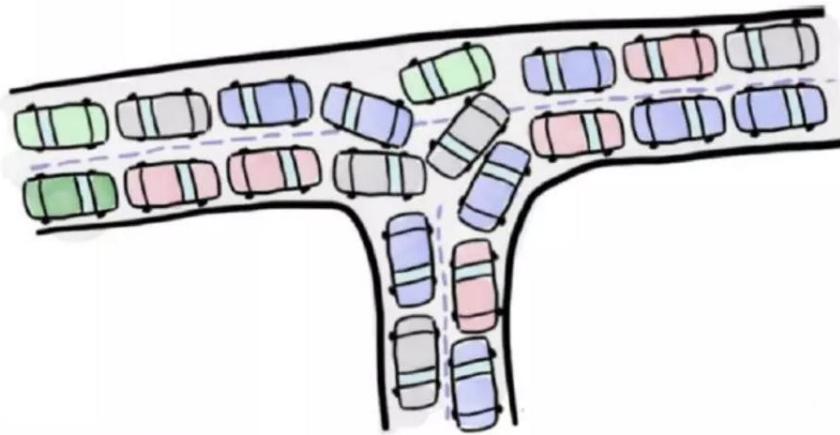

After your daily standup meeting:

- BOTH block  one of your currently unblocked items if you have any
- AND start a new item if any remain: move it to the first in-progress column – even if you had nothing to block

If and only if you can't start a new item, help someone! Advance or unblock another player's item

**BLOCKED**  
Block a task  
AND start a new one  
If not possible, help someone else
